CAMPBELL KID MAN IS PAYING ATLANTA A VISIT

Len M. Frailey, of Soup Concern, Tells of Times When He Traveled in South

Len M. Frailey, the Campbell Kid man, the man who directs the advertising of Campbell's soups, is visiting Atlanta and recalling the days when he was a jolly drummer in this territory. Mr. Frailey is secretary and a director of the Joseph Campbell company of Camden, N. J. He graduated into that position from the road by the simple process of transferring his selling methods to paper and growing up with one of the biggest businesses in the country.

"I covered this southern territory of states for fifteen years," he said, "looking over the Georgia metropolis and trying to find some reminders of the little town he used to visit. He was a drummer and he had a lot of friends. He was a drummer and he had a lot of friends. He was a drummer and he had a lot of friends."

Mr. Frailey talked interestingly of the growth of the selling of Campbell soups. He said that he had been in the business for fifteen years and that he had seen the business grow from a small concern to a large one.

Georgia Boy Composes Song in Honor of Visit Of Shriners to Atlanta

The "song of the Shriners" has been discovered by Forrest, a young boy who plays the piano all day long in the home of his mother, a Georgia boy who recently came back from the west after making a name for himself in the music circles and playing. Arthur C. Wilson is his name. His mother, Mrs. Wilson, lives in the city of Atlanta. The song is a beautiful melody, and it is a tribute to the Shriners who are visiting Atlanta.

Pickaninny, Chastised By Ma, Roams Street A la September Morn

His name was Clarence Banks, he was ten years old and black as tar. Early Tuesday afternoon Clarence was walking down the street, and he was being chastised by his mother. He was a pickaninny, and he was roaming the streets. He was a pickaninny, and he was roaming the streets.

Mr. Henry M. Atkinson, Jr.,
Leader in College Play
(Special Dispatch to The Journal.)
WILLEM, Mass., April 1.—The
Hearty Pudding club, most exclusive of
all Harvard college societies, gave the
first public performance of "The Legend
of Lorain," the annual musical show,
last evening in a hall before an
unusually large and enthusiastic audi-
ence. Although the card as a whole
made a remarkable showing especially
prominent was the work of Henry Mor-
rell Atkinson, Jr., of Atlanta, Ga., one
of the most popular men at Harvard,
who made a distinct hit.
The play is to be repeated next Mon-
day and Tuesday evening by request.

Build up your baby's strength
Give him the right food.
More babies die as a result
of the wrong food than from
any other cause, and it is so
unnecessary. When your
milk fails and you find you
can't nurse your baby, give
him the food on which three generations of
boys and girls have grown healthy and strong—
Nestlé's Food

In Nestlé's there is everything
your baby needs to make his little
body plump, his cheeks rosy and
his eyes bright. Pure cow's milk is
his food—but cow's milk is so changed
and modified, and with baby needs
added, that your little baby can digest
it just as easily as mother's milk.
Add cold water and, and you
have a food your baby will thrive on.
Cover milk alone will not do for
your baby. It is dangerously full of
germs which may carry disease to
your baby. There are only eight clean
drinks to a hundred, in this
country. And, besides, cow's milk
is too heavy and indigestible for
your baby's delicate stomach. Nature
made cow's milk for calves, not for
your delicate little baby.

enthusiastic audience at the Atlanta
theater Tuesday evening, when she ap-
peared in concert with the Atlanta
Philharmonic orchestra.
Splendid work was done by the
orchestra in their interpretation of the
symphonic poem, "The Light That Fall-
eth," after Kipling, set to music by
the American composer, Mr. C. E.
Pemberton.

A number which brought forth much
applause and which was rendered with
artistic skill by the orchestra was the
intermezzo from "I Pagliacci."
Another number played with pleas-
ing effect in the second half of the
program was the "Lullaby" by Ethel
Miss Wycoff possesses a dramatic
soprano of unusual power and beauty
which was effectively shown in her
singing of the "Ave Maria," from "The

OUR ASTROLOGER

"The stars incline, but do not compel."
HOROSCOPE FOR
TUESDAY, APRIL 2, 1914.
This may count many woes
While two stars are thy foes.

While Venus is in a place strongly
helpful, with Neptune kindly disposed
today, astrologers warn men and
women to be cautious, as Uranus and
Jupiter are adverse in influence.
Although he places that rules lov-
ers is well disposed, early in the day,
the influence of Uranus is held to
be sinister enough to give trouble
against sudden friendship or re-
conciliation. The way is salu-
tary, however, and should be encour-
aged. The position of the stars
have fantastic personalities. Women
may be vulnerable where men of ar-
tistic temperament are concerned.
It is rather a fortunate day for wed-
ding social affairs of all sorts
should be successful.
Neptune gives promise of prop-
erty to all who deal in delicacies for
the table. Wholesale and retail gro-
cers are under a fortunate rule.
Bankers, university students, mag-
istrates and clergymen should be
careful while Jupiter is evilly disposed
toward the inhabitants of earth.
Wrestlers and athletes may find con-
ditions unsatisfactory while this con-
figuration prevails. They should guard
against physical ills and accidents.
There is a prophecy that the United
States will go through a summer of
unusual stress. A London astrologer
predicts trouble with Germany and
other diplomatic complications. There
will be a danger which compen-
sate with warships. California may
have disturbing relations with a foreign
nation.
The position of Mars indicates an
increase of armaments. A military
or naval commander of world fame
is suddenly this month, the seers pre-
dict.
An earthquake at thirty-five degrees
east longitude is prognosticated.
Heavy storms will do damage to crops
in the eastern states this month.
There is a prophecy that the United
States will go through a summer of
unusual stress. A London astrologer
predicts trouble with Germany and
other diplomatic complications. There
will be a danger which compen-
sate with warships. California may

Persons whose birthdate it is may
meet with many annoyances during the
coming year. In business both men
and women should avoid speculation in
domestic affairs and romances of all
sorts, there will be good luck. The
young will become engaged or will
marry.
Children born on this day have the
sagacity of success and good fortune.
Boys will attain high office or reach
positions of authority. Girls probably
will marry happily.

Miss Davis Entertains

At Luncheon
Miss Rosalie Davis was hostess at a
beautiful luncheon Wednesday at her
home on Peachtree road, in compliment
to Miss Dorothy High, who has recently
returned from a six months' stay
abroad, and to Miss Mary Brown, who
is home from Vassar college for the
Easter holidays.

The guests were assembled at small
tables placed in the sun parlor, the
furnishings and furnishings of which were
in old blue.
Quantities of white roses, potted
daffodils, orange narcissi, violets and
white Japanese cherry blossoms formed
an artistic decoration.
The honor guests were presented with
white ivory clocks as souvenirs of the
occasion.

Miss Davis was attractive in an im-
ported model of tan satin draped with
black tulle.
Miss Dorothy High was gowned in
brown taffeta, merino and crepe de
chine combined, and Miss Mary Brown
wore a suit of haberdasherie serge.

Sixteen guests of the debutante set
were present.

PRETTY BOUDOIR CAP

From the time of the French revolution came the mob cap, of which the present boudoir cap is only a variation. This one is made of white lace, lined with black velvet.

To Mr. and Mrs. Wells

The dinner given by Mr. and Mrs. Wells Tuesday evening at the Georgian was a most beautiful occasion. It was a most beautiful occasion.

The table represented a miniature Easter garden with tiny chrysanthemums and daisies nestled in the amaranth ferns which linked two baskets filled with spring flowers on each end of the table to the large basket in the center, which held the same fragrant blossoms.

The handle was tied with yellow tulle.

The cards which marked the places of the guests were hand-painted plates containing baby chicks.

Mrs. W. F. Coolidge, Mr. Prince Webster and Dr. J. T. Williams proposed toasts to the host.

Mrs. Wells wore chiffon and tulle in the most charming and delicate rhinestones. Miss Alice May Freeman was gowned in chiffon and lace with panthers of Dresden figure taffeta.

Miss Caroline Muse was attractive in old blue chiffon and shadow lace with rhinestone trimmings. Miss Carolyn King wore a becoming gown of champagne-colored chiffon and tulle, with tulle and shadow lace.

Miss Mary Hines was gowned in white messaline and lace. Miss Lillian Logan wore pink taffeta frock fashioned with panthers.

Mrs. Coolidge was handsome in lavender chiffon and shadow lace with corsage of Parma violets. Mrs. Edwin Powers was gowned in cream-colored chamois.

Mrs. Julian Parker wore white silk crepe with Dresden giraffe and shadow lace.

The invited guests were Mr. and Mrs. James R. Wells, Mr. W. F. Coolidge, Miss Carolyn King, Miss Alice May Freeman, Miss Cobble Vaughn, Miss Mary Hines, Mrs. Carolyn Muse, Miss Lillian Logan, Mr. Norman Coolidge, Dr. J. T. Williams, Mr. Julian Thomas, Mr. P. S. Gamble, Mr. Remond King, Mr. and Mrs. E. W. Peoples, Mr. and Mrs. Julian Wells, Mr. and Mrs. Jack Thieson, Mr. W. C. Hill, Mr. Palmer Johnson and Mr. Prince Webster.

Guyton Clark Resigns (Special Telegram to The Journal.)

GUYTON, Ga., April 1.—At a called meeting of town on last night, J. H. Burke resigned as clerk. H. C. Pool was appointed as his successor.

What Anne Rittenhouse Says

PARIS.—How do you like the new fashion for Roman stripes? One can't really call it new, for Premet used it last summer, and Paquin attached it in the form of stripes to her coat suits last winter.

But these people were forerunners of a fashion that has proved to be popular. Someone has said that it is just as bad to be before hand as behind hand in fashion. It is certainly true that few people will accept a thing until it is general, and the originator never gets due credit. But there is no use sighing over this fact, for it is as true in the great things as in the little things of life.

The fact is Roman stripes is in first fashion. The query is whether it will be out of fashion by tomorrow. Is it an April shower that will soon be over? Will its popularity prove its doom?

These are the questions no one can answer. Each individual must work them out for herself. If she is an extremist, and if she has a full purse, she can plunge into the expense of a Roman striped gown, and discard it as soon as she wears it.

Will You Wear a Skirt of It?

Over here, in Paris, young women are wearing plain skirts in brilliant stripes on a light colored foundation. It is a daring fashion and only belongs to the younger and the slim. Yet because it is in the fashion it must take its place in the reportorial news.

The first suit after this fashion was worn at the races on a grey, blustering day, and its gorgeous coloring did not offend the eye; in fact, it was rather attractive.

The foundation color was of sulphur yellow and the stripes were in blue, red and brown, and they were large enough to make the skirt stand out.

Fortunately, there was no minaret tunic on this skirt; it fell in plain lines to the ankles, where the breadth across the hips vanished into a narrow band.

There was no attempt on the part of this skirt to outline the figure. That is passing away, although the figure quite clearly reveals itself through the loose transparent fabric worn.

The coat to this jacket was a short affair that flared out from the waist and made no attempt to meet in front. The broad open expense across the chest was filled in with a Directorate waistcoat of heavy white linen fastened with round gilt buttons and flaring into a starched pointed collar.

There are Americans who might like such a skirt, but they should have a good taste to keep it out of the city streets, place it at the country clubs in the afternoon.

REBELS ARE KEEPING ACTIVE IN HAITI

WASHINGTON, April 1.—Continued rebel activity in Haiti was reported today by Lieutenant Commander Boswick, of the gunboat USS Albatross, at the town of Hinche has been recognized by the government. Former Senator Theodore Roosevelt's forces are at Guaimath.

Mrs. Man was attired in black lace over king's blue.

Mrs. R. M. Holstone, who assisted in the entertainment of the guests, wore a grey chamois.

The guests of the occasion were Miss Dunk, Miss Selma Brantly, Miss Mamie Helm, Miss Minnie Silver, Miss Lottie Keuch, of Benton Harbor, Mich.; Miss Crystal Broche, Miss Mary Hines, Miss Mollie Holstone, Miss Ruby Lawton, Miss Bloodworth, of Forsyth, Mrs. Thomas Gallup, Mrs. Milner Latilait, Mrs. Henry Keuch and Mrs. August Dink.

Some of the floats are selling small ribbons early containing a single little bell, placed in said, just ready to bloom. The jars are made of glass and with tulle of the same color they are very attractive. The same flowers of the spring are appearing again in the form of small ribbons, bearing the same last fairly well and are very effective.

Knockout Eggers Handed Grant Awful Beating at Orpheum

LITTLE PAL--HE TRIES TO BE NOBLE

-BY LEO

Eggers Handed Jimmy Grant Severe Lacing

New York Bantam Beat Chicago Lad in Every Round by Wide Margin--Grant Collapsed at End of Fight--Is at Hospital Reported Improving

Knockout Eggers, the New York bantam, who gave Kid Young a sound mauling at the Georgia Athletic club a couple of weeks ago, handed a package of the same treatment to Jimmy Grant at the Orpheum last night. There was just one difference between the two battles. Last night's mill went ten rounds because of the fact that Grant was willing to take an awful beating and come back for more, whereas Young doubtless figured that discretion is the better part of valor, and that a slight scolding on the morning after is much to be desired in preference to a number of days in bed, resulting from soreness in more spots than the average man considers possible in a human anatomy.

As regards the bout, Grant never had a chance, and to say that he looked worse than he ever has in a local ring, is putting the matter mildly. To be sure, Eggers is a better boxer than any of the locals that Grant has met, but then Eggers never let himself out, and only in the last round did he really appear to be going in for the business of the evening. He maulled Grant all over, pretty much as he pleased. Jimmy covered his face and head almost all the time, but when he did happen to have a jaw unprotected, Eggers would poke one through and remind Jimmy that danger lurked in his immediate vicinity if he failed to keep under cover. However, it may be said to his credit that he stuck to his assignment as doggedly as any youngster who ever found himself in for a drubbing. In the first round Eggers caught him a clip under the chin that sent him spinning backwards to the floor. From that time the defeated entry went stoically about his work. It was a rather unwelcome spectacle to the crowd present to see Grant hammered so thoroughly, as was evidenced by the loud cheering, when occasionally during the first four or five rounds Jimmy appeared to give to Eggers with a punch. Grant has established a reputation here as a good, clean boxer, and the fans appreciated him.

Following the battle, Grant collapsed, and after considerable work with him Dr. Louis C. Roughlin ordered that he be removed to a hospital. Jimmy Terry, who was Grant's chief adviser, informed Dr. Roughlin that Grant had eaten a very hearty dinner, consisting chiefly of meats, a couple of hours before the fight in an effort to take on more weight. Dr. Roughlin attributed the trouble following the fight to a bad case of acute indigestion. It was stated at Grady hospital this morning that the patient's condition was improved.

Kid Underwood and Young Goodman fought a ten-round draw in the semi-weighing that was a good even battle. The two boys kept after each other throughout the battle, but neither gained any decided advantage. Battling Sheppard beat Young Nelson in the opener.

Edward Ralph Meets Allen for Title

KANSAS CITY, April 1.—The first block of 200 points for the world's championship at pocket billiards will be played tonight between Edward Ralph and Kansas City, the title holder, and Edward Ralph, ex-Highland, N. C. The match will be 600 points.

Ralph is regarded as one of the best players in the east. He has shown well in practice. Allen won the championship from Alfred Devo in New York City last September.

Gives Up Polo

Harry Payne Whitney, captain of last year's polo team, will not be a candidate for this year's team. Whitney is a fine polo player and organized the team that defeated the Englishmen for the international title last year.

BATTLE HILL LOST.
Making two runs in the fifth and sixth innings of yesterday's game, Fraser defeated Battle Hill by the narrow margin of one point, the score being, Fraser 10, Battle Hill 9. Both teams fought hard for the game.

FORMWALT WON.
Playing only the innings, Formwalt defeated Hill yesterday by the score of 8 to 5. The game was called in the fifth on account of darkness.

NORTH SIDE.
Ivy Forfeits. Ivy forfeited to Oakland their game scheduled to be played yesterday.

DAVIS FORFEITS.
Davis, after one inning of their game with Oakland had been played, quit and Oakland won by forfeit.

BOULEVARD AND TENTH TIE.
Tenth and Boulevard played seven innings to a 7 to 7 tie yesterday afternoon. This was the only game played on the north side.

THE BACKERS OF BASEBALL IN WAUSAU.
Who object to their franchise of the Wisconsin-Illinois league being transferred to Freeport, have put their case up to Secretary Farrell of the National association, and will await his decision before taking the court action threatened.

WE SPORTLIGHT BY GRANTLAND RICE

(In regard to communicating with Mars at the rate of \$1,000,000 a throw, as suggested by a certain collegiate or intercollegiate scientist.)
I should like to speak with Mars. If they've found a sane and steady holding close communication. I would like to know how they keep a cook from weekly dodging. If the post's pay is so good. I would like to know the way that a bloke up there can get on about ten boxes a week.

THE CASE FOR COBB.
While considerable gossip is raising back and forth as to whether Collins is the greatest ball player now extant, as John J. McGraw suggested last fall, as to whether Johnson is the most valuable, or Speaker is the greatest of all-round outfielders, loud and incessant noises are being out of the south as to something long and round, a baseball squarely on the frontispiece.

WAGNER AVERAGED .344.
Hans Wagner for seventeen years has a grand batting average of .344. For his first nine years in the big show he averaged .350. Larry Lajoie for eighteen years has a grand batting average of .351. For his first nine years he had an average of .350.

COBB LEADS FOR SEVEN YEARS.
In addition to which Cobb has led the American league in batting the last seven consecutive years, and he has led both leagues in batting six out of the last seven years.

WILL GET EARLY START.
Some few weeks ago he announced that he intended to get away with a running start this spring and set a new mark. He is in far better shape now than he was last year late in April. He is over a month ahead of his 1913 form. And through the south he has been peeling the white, seamy cover off the ball at almost every start.

SOUTHERN A. A. U. MEETS AT BIRMINGHAM.
NEW YORK, April 1.—The championship committee of the Amateur Athletic union last night announced that it had awarded the Amateur Athletic union all-around championships for 1914 to the Southern association of the Amateur Athletic union, to be held under the auspices of the Birmingham Athletic club at Birmingham, Ala.

SECRETARY SULLIVAN NAMES COMMITTEEMEN.
NEW YORK, April 1.—The complete list of members of the American Olympic games at Berlin in 1916 was announced Tuesday by James E. Sullivan, the committee's secretary. The list comprises 121 names.

THE SELECTION OF THE TEAM WILL REST WITH A SPECIAL COMMITTEE OF FIFTY-FOUR.
The selection of the team will rest with a special committee of fifty-four members of the Birmingham Athletic club at Birmingham, Ala.

A Willing Boxer

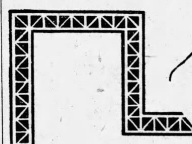

Although not a champion, Johnny Dundee is a great little lightweight scrapper. He is a close second to Battling Levinsky in the number of battles fought per week. This famous New Yorker formerly fought in the featherweight class, but lately has been taking on lightweights.

S.W.P.U. Won From Sewanee

SEWANEE, Tenn., April 1.—Southwestern university succeeded in breaking even in the series with Sewanee Tuesday afternoon and registered three scores while Sewanee was unable to score. Carter, for S. P. U., was at all times master of the situation, and only allowed three hits. Walker, for Sewanee, pitched winning ball and only the three runs scored off him were due to poor fielding on the part of the team. Otherwise the game was fast and snappy throughout the entire contest.

THE SCORE:
S. P. U. 3
Sewanee 0
Carter and Hartman; Walker and Dinkins.

"AWAY ABOVE EVERYTHING"

William Thomas Burgess, blacksmith, swam the English Channel from Dover to Le Havre, Sept. 6, 1911. Burgess is the only man to duplicate the long-sought feat of Captain Webb. He was in the water twenty-two hours and a half—forty minutes longer than Webb.

Tennessee Nine Selected With Two Exceptions

Coach Clevenger Has Picked Team Line-Up Except at Shortstop and Third-Chandler and Harris Look Best There--Play Vanderbilt Friday

(Special Dispatch to The Journal.) KNOXVILLE, Tenn., April 1.—All through the University of Tennessee baseball team has been handicapped considerably this spring in the various workouts by bad weather, yet the squad had rounded in to win promises to be very formidable college outfit.

Practically every position on the team has been filled, with the possible exception of third base and shortstop, the places left unfilled when Cameron and McClure did not return to school this winter. A youngster by the name of Chandler has been showing considerable class at third, while Harris Hurt, William Johnson, Callahan and Stephens are leading each other a hot chase for the shortstop position.

The first real games of the season for the Volunteers, will be played in this city Friday and Saturday, when Vanderbilt comes to town. The Vols were to play Louisville last week, but a large, luscious rain came, trooping along just when the Louisville squad was billed to appear here, and the game was called off. The Newark Internationals were scheduled to play the University of Tennessee squad Monday afternoon, but this game has been cancelled also.

Coach Clevenger has practically picked his team for the series with Vanderbilt, which will no doubt be as follows: Catchers, Keith and Oliver; pitchers, Dawson, Hutchison, Brock and Day; first base, Lindsey; second base, Asher; third base, Chandler; shortstop, Harris or Stephens; left field, Smith; center field, Thompson; right field, Hardison.

Athletes Back From Antipodes

SAN FRANCISCO, Cal., April 1.—With four Australia and seventeen track records to their credit, the four athletes comprising the All-American state team arrived here Tuesday, ready to compete again in ten days. The men participated in twenty-one field events during a thirteen weeks' tour of the antipodes.

Among the records brought home was one in the mile run made by James A. Power, of the Boston Athletic association, who covered the distance in 1 minute 18 3/4 seconds, breaking Alfred Shrubb's mark of nine years' standing. This is said to be the best time for the distance ever made by an American athlete on foreign soil. Aside from individual performances the Americans won the team championship of Australia and New South Wales.

The University of Tennessee, Austin Coach Miller Postell, of Michigan, is expected to reach Knoxville about April 1, when he will take charge of the squad for about two weeks.

Crackers Play Naps Today; Tied Braves

Locals Will Try Conclusions With Cleveland Club, Provided Rain Does Not Interfere--Birmingham's Bunch Has Two More Games Here, Leibold Sent Home

Provided no further rainfall butts in to interfere, the Crackers will stage the first of their last two games with the Naps at Ponce de Leon this afternoon. In far of the five games which the two teams including the Crackers regulars and an assortment of Crackers and Naps have had on the card, but one has been played, and that ended in a tie.

The big leagues are accordingly anxious for a chance to mop up with the locals, while the latter are just as anxious to take another fall out of the Naps. The hopes of landing a clean win are slim, however, as the Crackers have had a series of games played in the city since they arrived here, and the Naps have had a series of games played in the city since they arrived here.

The Naps will line-up the same as they did in the one game played here, with the exception of one change. Leibold, who has been sent home, owing to a sore knee, will be replaced by George Kable, one of the pitchers who went to Cleveland a few days ago to confer with attorney concerning the status of his contract.

Houston Mgr. Floors McGraw

HOUSTON, Tex., April 11.—A personal encounter between John J. McGraw, manager of the New York National League club, and Pat Newman, manager of the Houston club, of the Texas league, Tuesday resulted in the New Yorker being knocked down and badly bruised. The fight occurred at the base ball park just after the teams arrived for the day's practice, and it is said to have been the outcome of remarks on the coaching line yesterday which Newman resented. McGraw recently opened negotiations for the purchase of the Houston franchise.

Injunction Suit Hearing April 4

DETROIT, April 11.—Samuel M. Clement, Jr., of Philadelphia, one of the attorneys for the Philadelphia National League baseball club, in the federal court proceedings to restrain William K. Miller, Jr., formerly catcher of the Philadelphia Nationals, from playing with any other team than the Chicago Federals, announced here yesterday that the hearing in Grand Rapids on the injunction had been postponed from April 3 to April 4.

MANAGER HERZOG, HIMSELF A COLLEGE MAN, FAVORS COLLEGIANS AMONG HIS RECRUITS

Manager Herzog (left) instructing his college recruits (left to right), Chas. Lebeck, Melton and Deal.

Wally Smith is drawing his first assignment as utility infielder for the Washington Nationals. In the absence of the lineup of George McBride, who is out of the game because of injuries, Wallie is substituting at short stop. As has been predicted by his friends in Washington, Buck has recently had several offers from minor leagues, among them being the Albany of the New York State league, which he is considering taking.

Buck Becker, another former Cracker, who hit pretty close to zero minus in the old-time game, but who has been better behaved and better mannered than 200 in the Rounders' league by night, playing semi-pro ball in Washington. Buck has recently had several offers from minor leagues, among them being the Albany of the New York State league, which he is considering taking.

Montgomery fans are highly pleased with Jack Hollander, the young infielder turned over to the Billikens by Manager Branch Rickey. Hollander is said to be a fast brilliant fielder and speedy on the bases. Rickey signed him straight out of Georgetown university. He was one of a big bunch of collegians on Colonel Healey's payroll at the beginning of the training season.

Mike Finn has twenty-four players on hand at present. Of this outfit just five are set to play in the first game. The rest are being trained by the manager, who is a former player himself.

Polo Grounds Gets Big Game

NEW YORK, April 11.—Peaceful adjustment is expected in the army-navy discussion of a place for holding the next annual football game. The Polo grounds have been agreed upon as the scene. Objections by the midshipmen to the trip from Annapolis and the enrolling for issue without a chance for sightseeing were partially overcome by an announcement today that arrangements had practically been completed by which the entire student body at Annapolis or all midshipmen permitted to do so, may be brought to New York and given permission to enjoy themselves until 12 o'clock on the night of the game. Under this arrangement a special train with sleeping cars would convey the party to Annapolis. Lieutenants Matthews and Fairfield, of the army and navy, respectively, officers in conference here, returned yesterday to West Point and Annapolis, after formal receipt of details by the heads of the two academies an announcement may be made.

Swift & Mackle Will Erect Apartment House to Cost \$60,000 at Juniper and Third Streets—North Avenue Corner Figures in Exchange—Healey Building's Broad Street Entrance—Building Gain—Byron Apartments Sold

He is also making improvements in the basement of No. 54, E. Broad street entrance to the Healey building, which will serve until the addition to the building is erected, will be extremely attractive.

Tenants continue to move into the Byron apartments on the fourth floor, the Retail Credit company, which has large space on the fourth floor.

BUILDING IMPROVEMENTS. Below, with the building permits, appears a summary of building as compared between March this year and last, and the month between January 1 and April 1, 1913 and 1914.

The month is nearly \$120,000 ahead of last March, and the year so far is in the \$100,000 behind the corresponding period in 1913.

The casting of money has had much to do with the improvement in building developments.

CORRECTION OF ERROR. The announcement Tuesday of the as by the Union Realty company of the price was given as \$7,500. This was the price given by the Union Realty company as error. The price should have been \$10,000.

BYRON APARTMENTS SOLD. The Byron apartments, at West Peachtree and Linden streets, have changed hands again.

The Klier agency sold this property to L. P. Bradley, of Newnan, Ga., for \$14,125. Two or three parcels were taken on part payment, but their location and price were not given.

The building is four stories, and is situated on the north side of the street, between 15th and 16th streets, and is valued at \$15,000. The Klier agency sources that it has either exchanged for \$10,000 worth of property since the first of the year.

A recent announcement of a new apartment house on the north side was given on Wednesday.

A. S. Norton, the architect, is drawing plans for a new apartment house, to be erected by T. L. Swift and F. E. Mackle, on the corner of Juniper and Third streets. The Mackle-Byron construction company has the contract.

The building will be erected on a lot 100 ft. wide and 150 ft. deep. It will be a four-story building, and the building will be set back some distance from Juniper street. A permit for the construction of the apartments will be applied for about a week or eight days later.

EXCHANGE OF PROPERTIES. An exchange of properties in which North Avenue and Rhodes street, 72 feet west of Haynes street, was announced on Wednesday.

The exchange was announced on Wednesday.

SPEEDWONT PRESIDE IN FINANCIAL STORE CASE

Judge Grubb, of Alabama, to Conduct Next Session of Court at Savannah

(Special Dispatch to The Journal.)

SAVANNAH, Ga., April 1.—The financial store case, which was announced in this city today, will be heard in the northern district of Alabama, will conduct the United States court here, commencing May 15, instead of Judge Speer, of the southern district of Georgia.

Judge Speer, whose official acts recently were investigated by a subcommittee of the house judiciary committee to determine whether impeachment proceedings should be taken against him, was recently announced that he would have no case pending final action in the investigation. The house judiciary committee has taken up his report.

Among the cases scheduled to come up at the next session of the federal court here is that of the American National Bank, which is being organized in an organization in restraint of trade.

It has been stated that Judge Speer will not conduct court until pending the outcome of the investigation of charges against him. Judge Shepherd of Florida will alternate with Judge Grubb in handling the business of the district.

CONVICTION EAGER FOR NEW TRAIN SCHEDULES

Leading Business Men Indorse Proposed Changes on Georgia Railroad

COVINGTON, Ga., April 1.—The citizens of Covington, Ga., with the prospects of securing better accommodation if the proposed changes in the schedule of the passenger train on the Georgia railroad are agreed to by the state railroad commission.

The primary reason for the favorable view with which they look upon the changes is better mail service with the east by way of Augusta and the south and west through Atlanta.

The two fast trains which will be run by the railroad will make their first stop at Covington coming out of Atlanta and their last stop at Covington going into Atlanta. This will afford a much more pleasant ride than is now because of the many stops made by the slow train.

R. W. Milner, of Covington, a prominent lawyer, favors the proposed change.

J. E. Phillips, banker of Covington, thinks that the change will benefit Covington.

Tax Collector W. S. Ramsey, of Newton county, is in favor of the change, which the railroad commission has agreed to.

It is expected that the case may be submitted, either on briefs, which now are practically prepared and will be heard on or before the next day.

The granting of the request of the railroad commission to change the schedule of the passenger train on the Georgia railroad is a matter of importance to the citizens of Georgia.

The towns, cities and counties of Georgia are very nearly flooded with interest charges on their bonded indebtedness. If the state would reduce all such bonds, it would save the state a large sum of money.

EXPECT EARLY DECISION ON FREIGHT RATE CASES

I. C. Commission May Announce Ruling Within Days, It Is Said

(By Associated Press.)

WASHINGTON, April 1.—A decision by the interstate commerce commission on the freight rate increases asked by the eastern railroads is expected much earlier than had been planned. It may be handed down within a month.

Recent developments have impelled the commission to put aside collateral issues and extraneous questions and devote practically its entire time to the rate question.

Such questions as a spotting car charges, free service of various kinds and similar propositions that have been considered with the application of the interstate commerce act have not been permitted to interfere further with the fundamental proposition of a rate increase.

It is the purpose of the commission to expedite in every possible way final disposition of the case and to hold continuous hearings will be held while the rate increase is being considered. That may occupy several days.

It is expected that the case may be submitted, either on briefs, which now are practically prepared and will be heard on or before the next day.
